

Thursday | 08th June 2023

Symposia Session 1	
9:00 - 10:30	N1 S01 - Promoters And Hurdles Of Prosocial Behavior <small>Chairs: Anne Saulin, Martin Weiß</small>
	N2 S02 - Sex-Specific Insights Into Erotic Stimuli Processing And Psychosexual Health <small>Chair: Ann-Christin Sophie Kimmig</small>
	N3 S03 - The Impact Of Light On Sleep, Circadian Physiology, And Cognition: From Mechanisms To The 'Real World' <small>Chairs: Christine Blume, Manuel Spitschan</small>
	N6 S04 - Neurobiological Research to Optimize Therapeutic Interventions <small>Chairs: Katharina Förster, Barbara Schmidt</small>
	N9 S05 - The World in Numbers - Quantitative Cognition in Brains and Machines <small>Chairs: Michael Artur Skeide, Andreas Nieder</small>
	7E02 S06 - Digital Biomarkers of Mental Health and Social Interaction Behavior <small>Chairs: Hanna Drimalla, Lara Puhlmann</small>
10:30 - 11:00	Foyer Coffee Break
Symposia Session 2	
11:00 - 12:30	N1 S07 - Comparative Research in Psychology and Neuroscience <small>Chair: Catherine-Noémie Alexandrina Guran</small>
	N2 S08 - Social Neuroscience <small>Chairs: Martin Reuter, Daniela Mier</small>
	N3 S09 - Dynamics Of Decision Making: Computation And Neuromodulation <small>Chairs: Eduard Ort, Monja Froböse</small>
	N6 Poster-Blitz <small>Chairs: Helena Hartmann, Julian Packheiser</small>
	N9 S10 - Changes for life: Behavioral and Neural Manifestations of Plasticity Across the Lifespan <small>Chairs: Yana Fandakova, Elisabeth Wenger</small>
	7E02 S11 - A look under the hood: Neurobiological, Epigenetic and Neuroendocrine Correlates of Early Adversity and Measurement Heterogeneity <small>Chairs: Alina Koppold, Katja Seitz</small>
12:30 - 13:30	Foyer Lunch
Symposia Session 3	
13:30 - 15:00	N1 S12 - Non-invasive Brain Stimulation: From Basics To Clinical Applications <small>Chairs: Gesa Hartwigsen, Martin Herrmann</small>
	N2 S13 - Mapping Emotion Regulation Processes in Multiple Contexts: from Neural Correlates to Transdiagnostic Patterns <small>Chairs: Valerie Jentsch, Katja Langer</small>
	N3 S14 - Brain State Dependent Information Processing: Understanding The Link Between Memory Consolidation, Reactivation And Sleep <small>Chairs: Niels Niethard, Svenja Brodt</small>
	N6 S15 - Investigating Inter- and Intraindividual Differences in Social Functions and Dysfunctions: How Context, Traits, and Learning Affect Social Cognition and Interaction <small>Chairs: Katja Bertsch, Sören Krach</small>
	N9 S16 - Computational Mechanisms Of Learning And Decision-making In Psychiatry <small>Chairs: Vanessa Scholz, Hilmar Zech</small>
	7E02 S17 - Eat, Play, Work: The Interplay Between Energy Metabolism And Adaptive Behavior <small>Chairs: Anne Kühnel, Nils B Kroemer</small>
15:00 - 16:45	Foyer Coffee Break
15:15 - 16:45	Foyer Poster Session 1
16:45 - 17:00	N6 Welcome note
17:00 - 18:00	N6 Keynote The Development of Spatial Cognition Nora S. Newcombe
18:15 - 19:15	N9 Mitgliederversammlung DGPs
19:15 - 20:15	N9 Mitgliederversammlung DGPA
